

Brad Schiffer AIA
Post August 9 EBIWG ranking

Additional Comments

V. INSPECTIONS STANDARD/CHECKLIST OPTIONS

Option 2) Ensure Existing Plans/Resources Access.

- House in building departments (AHJ), so resources/plans are available when needed for inspections, etc.
- Avoid duplication of researching available construction documents.
- Updating the documents if remodeled.

New option

IV. QUALIFICATIONS FOR INSPECTOR OPTIONS

Option ?) When an Architect or Professional Engineer is required, they can be a team of professionals with an Architect or Professional Engineer acting as a *Registered Design Professional in Responsible Charge*. All work and reports must be signed and sealed by the appropriate, qualified team member.
