Subject: Letter Report for FL16392 FLORIDA PRODUCT VALIDATION

Dear Mr. Peabody,

Any information and documentation involving UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

The purpose of this letter is to provide Standard equivalence reference regarding your Florida Building Code submittal. There has been no change in the test requirements of the following Standards:

The requirements of the 2003 and 2008 editions of ANSI A250.13 have been deemed technically equivalent.

The requirements of the 2002 and 2005 editions of ASTM E1886 have been deemed technically equivalent.

The requirements of the 2002, 2005 and 2009 editions of ASTM E1996 have been deemed technically equivalent.

Should you have any questions or comments concerning the above, please feel free to contact the undersigned.

Sincerely,

Jim Smyser  
Engineer Sr Project  
Department: 3019AFPD
