

**FBC 2011 WORKPLAN PRIORITIZATION RANKING EXERCISE RESULTS**

Commissioners were asked to rank each of ten (10) key *Workplan* tasks on a five-point continuum/scale where a 5 equals the highest level of priority and a 1 equals the lowest level of priority. Members were asked to rank the priority of each task independently and not in relation to the other tasks. Each of the *Workplan* task’s rankings were tallied and arranged in order of highest priority (1) to lowest priority (10). The ranking results ranged from a high of 4.53 to a low of 2.79 out of 5.

*The exercise was completed by the following ten (19) Commissioners:*

Raul L. Rodriguez, AIA, (chair), Hamid Bahadori, Bob Boyer, Dick Browdy (vice-chair), Ed Carson, Herminio Gonzalez, Jim Goodloe, Ken Gregory, Dale Greiner, Jeff Gross, Jon Hamrick, Scott Mollan, Nick Nicholson, Drew Smith, Jim Schock, Jeff Stone, Tim Tolbert, Mark Turner, and Randall Vann.

*Following are the results of the Commission’s prioritization exercise for 2011:*

<b>WORKPLAN PRIORITIZATION EXERCISE RESULTS 2011</b>		
<b>FEBRUARY 1, 2011</b>		
<b>WORKPLAN TOPICS (TASK/TOPIC #)</b>	<b>AVERAGE (5 TO 1)</b>	<b>OVERALL RANKING</b>
2010 Update to FBC (5.)	4.53	1
Glitch amendments to 2010 FBC (6.)	4.37	2
Report to 2012 Legislature (1.)	4.32	3
Integration of Accessibility Law (DOJ SAD) into FBC (8.)	4.11	4
Code amendments directed by Legislature (18.)	4.11	4
Amend rules to establish fees: waivers/declaratory statements/opinions (20.)	3.84	6

Bedroom definition for septic tank sizing (DOH) (9.)	3.58	8
Corrosive gypsum board (DOH) (10.)	3.16	9
Recommendations: increase recycling and composting, and recyclable construction materials (22.)	2.79	10

**ADDITIONAL WORKPLAN TASKS PROPOSED BY COMMISSIONERS**

- Put a limit on what a local Building Official is responsible for other than his or her job as Building Official. With local government budget problems, the Building Official is now given a lot of responsibilities that take him away from his main duties of public safety.
- I think we could replace corrosive gypsum with something else.
