General Notes:

Once filed, even-numbered bills originate from the Senate, odd-numbered bills originate from the House excepting proposed committee bills until they are filed.

Up-to-date information can be obtained via the Legislature's website, www.leg.state.fl.us. Until a bill reaches the full chamber, amendments are most consistently available via committee pages linking to their meeting packets rather than from particular bill pages. Bill pages will reflect whether a particular bill is scheduled to be heard in Committee.
