SYLLABUS - Contents:

- Course Description
- Learning Objectives
- Outline with time allotment
- Sample Evaluation Form

COURSE DESCRIPTION

This course covers Florida Building Code requirements pertinent to flooring. This course directly addresses the provisions of :

- **Florida Building Code - Building** (Chapter 6 section 602.4.2; Chapter 8 section 804.1, 804.2, 804.3 and 804.4; Chapter 10 section 1003.4; Chapter 12 section 1207.2 and 1207.3)
- **Florida Building Code - Residential** (Chapter 3 section R311.1; Chapter 5 section R501 and R502)
- **Florida Building Code - Existing Building** (Chapter 6 section 613.1)
- **Florida Accessibility Code** (Chapter 3, section 302.1 and 302.3; Chapter 5 section 502.4; Chapter 8 section 802)

LEARNING OBJECTIVES

Upon completion of this course, you will:

- Be acutely aware of Florida Building Code requirements as they relate to flooring.
- Have an understanding of the extent to which design professionals and the construction industry must research all aspects of the Florida Building Code in order to assure the safety of their clients and adhere to the law.
- Know exactly which provisions of the Florida Building Code address flooring design and construction.

COURSE EVALUATION FORM

Attendee's Name:

Course Title: Advanced Florida Building Code - Flooring

Location

██████████ Date ██████████

TRACKING (OFFICE USE ONLY)

150068 - 952

Instructor/Author: Jim Caron, 217

At Design Arts Seminars, Inc., we have always made it a point to listen to our attendees and respond to their needs. We truly care about your satisfaction and rely on your feedback to evaluate our efforts. Please take a moment to fill out this evaluation form. By doing so, you will make us aware of areas we need to improve and perhaps, let us know things we do right. Should you wish to share further comments/suggestions regarding your learning experience with us or are interested in joining our team of instructors/authors, please contact Micène Robert Fontaine, Consulting Director of Educational Programs via e-mail at micene@designarts.net.

PLEASE CHECK THE MOST APPROPRIATE RATING FOR EACH QUESTION

(Scale ranges from 1 to 5 where 1 is Poor, 2 is Fair, 3 is Good, 4 is Very Good 5 is Excellent)

	1	2	3	4	5
1. PROGRAM EVALUATION					
Appropriateness of course contents	<input type="checkbox"/>				
Effectiveness of handouts / Support material	<input type="checkbox"/>				
Effectiveness of visual presentation	<input type="checkbox"/>				
Organization of course material	<input type="checkbox"/>				
2. INSTRUCTOR(S) EVALUATION					
Teaching competence of the instructor	<input type="checkbox"/>				
Instructor's knowledge of the subject	<input type="checkbox"/>				
Instructor's responsiveness to the questions	<input type="checkbox"/>				
Overall rating of instructor(s) / ability to communicate	<input type="checkbox"/>				
3. FACILITIES AND LOGISTICS					
Clarity of course mailer	<input type="checkbox"/>				
Efficiency of registration procedures	<input type="checkbox"/>				
Appropriateness of classroom setup	<input type="checkbox"/>				
Suitability of course schedule	<input type="checkbox"/>				
Overall rating of facility and logistics	<input type="checkbox"/>				
4. CONCLUSION					
Overall, I felt course was	<input type="checkbox"/>				
Course met personal expectations	<input type="checkbox"/>
