Re: Cabana Beach Club Elevator

PROPOSAL

Hendricks Stucco is pleased to provide you with this quote on the above Referenced project:

Scope of work

Stucco will be 5/8" three coat system direct applied to CMU to meet building code and comply with ASTM stucco installation and procedures. All trim items to be PVC and include corner beads on all exterior corners, plaster stops where stucco meets dissimilar material, expansion joints to break up walls to no more than 144 sq. ft. and 7/8" foundation weep screed @ floor line. Final finish to be conventional stucco with a skip trowel texture finish to match existing texture. Stucco system to be painted by others.

Base Bid..... \$5,800.00

Notes:

1. No caulking is included in base bid.
2. This quote is good for 30 days
