

Florida Building Commission

Electrical Technical Advisory Committee Report

October 10, 2005

8:00 A.M. - 10:00 A.M.

Rosen Plaza, Orlando, Florida

Committee Members: Mike McCombs Chairman, Jay Dagner, Dwight Wilkes, Tarry Baker, Clarence Tibbs, Leonard F. Devine, Ed Carson Oriol, Joe Territo, Oriel T. Haage

Non attending Committee Members: Roy Van Wyk, Larry Smith

Staff : Bruce Ketcham

Chairman called the meeting to order at 8:02 AM, and committee quorum was achieved. The agenda was amended and approved by the TAC.

The Chairman described the procedure for modifications to the Electrical TAC, timelines were as follows:

All modifications due electronically on the BCIS by December 1, 2005 to be considered by the Commission and to the TAC in February, 2006.

Meeting Objectives:

- To discuss the inclusion by modification a Cross reference to Chapter 27, similar to the FBC 2001 Code. This cross reference would be inclusive to the 2004 Building and the Residential Code.
- Recommendation by modification to include the FBC, Building, 2005 NEC 70 & NEC 70A Residential to the FBC.
- Discuss securing lightning protective devices or other devices that structurally attached as a system: Note the issue is on fastening, connecting and or attached. Note this issue will be sent to the Structural TAC for further discussion and direction to the Electrical TAC.

Committee Report:

1. The meeting was called to order. The roll call was taken. Nine (9) committee members were present and two were absent. A quorum was achieved. The agenda for October 10, 2005 was reviewed, and approved as amended.
2. To consider modification to include a cross reference to 2004 FBC, Chapter 27 Building and Chapter 33 Residential, and related reference chapters of the Code.
3. To consider modification to include the NEC 70 and NEC 70A to the Code as minimum for the Electrical requirements for the State of Florida.
4. Discuss structurally attached systems to the roof, lightning and other mechanically fastened devices; this issue will be discussed by the Structural TAC to give direction back to the Electrical TAC.

Adjourn: Seeing no other business the committee adjourned at 9:45AM
