Message:

Mo,  
 I need a Declarative Statement on FBC 428.4.  
 Is it the position of the commission that the design of a permanent foundation in 428.4 is going to be in compliance with chapter eighteen of the Florida Building Code?  
 Does a block pier and four inch thick pad designed foundation, and strapped down like a Mobile Home, meet the intention of FBC 428.4 for permanent foundation?

Respectfully,

Billy Tyson CBO, Madison County Building Department
