Objectives

- To Review Proposed Changes to the Florida Energy Code
- To Review and Discuss International Residential Code, Electrical Provisions
- To Develop a List of Electrical Code Commentaries

1. Opening

Welcome and meeting objectives. Approval of agenda and approval of minutes from February 24, 2003 meeting.

2. Review proposed changes to the Florida Energy Code

Review the electrical provisions of the proposed update to Chapter 13, Florida Energy Code, based on the successor model code. The review is for informational purposes only and no action will be needed.

3. Review proposed changes to the 2003 International Residential Code, Electrical Provisions

Review the electrical provisions of the proposed code changes to the 2001 Florida Building Code based on the successor model code, the 2003 International Residential Code. The review is for informational purposes only and no action will be needed.

4. Develop a list of reference resources currently used as commentaries for the 2002 NEC

5. Adjourn
