

Florida Building Commission
Electrical Technical Advisory Committee
December 6, 2004
Rosen Centre Hotel
Orlando, Florida

Objectives:

- To discuss the status of declaratory statement DCA04-DEC171.
- To discuss and review changes to the 2005 NEC.

Committee Report:

The meeting was called to order by Chairman McCombs at 10:05 a.m.

The committee approved the meeting agenda.

Committee members present were: Chairman-Mike McCombs, Tarry Baker, Ed Carson, Jay Dagner, Leonard F. Devine Jr., Oriol T. Haage, Clarence Tibbs, Joe Territo, and Dwight Wilkes. Representing the Codes and Standards Section was Buster Case.

Copies of the 2005 NEC were distributed to committee members. The committee requested that staff provide copies of the “2005 NEC Analysis of Changes” to each member at the next meeting and have a Power Point of the same projected during the meeting.

The excerpt handout referencing Electrical sections and chapters in the International Residential Code (IRC) was reviewed and the listed changes were approved by the committee.

Timelines for the code adoption process were discussed. The committee requested that staff provide a timeline matrix of the process to each member at the next meeting.

Local code amendments were discussed. Staff is requested to make a presentation on the process at the next meeting.

Exemptions and requirements for electrical in Chapter 34, Existing Buildings, Section 3401.8.3.3 were discussed. A request for a declaratory statement will be submitted for consideration at the January meeting.

The committee requested a four hour TAC meeting in January, preferably in the 10 a.m. to 2 p.m. timeframe.

The meeting adjourned at 11:10 a.m.
