Mechanical Technical Advisory Committee
Miami, Florida
March 14, 2005

Minutes

The meeting was convened by Chair Steve Bassett t 10:12 am. A quorum of six voting members was present.

Voting Members Present:

Steve Bassett, Bob Andrews, Jim Cummings, Betsy Goll, Mike McCombs, Don Pittman and Pete
Others Present: Ann Stanton, Jack Glenn, Joe Crum.

Meeting Objective:

Approve the minutes of the January 12, 2004 TAC meeting.

Discuss and provide recommendation on DCA05-DEC-032.

Actions Taken:

Mike McCombs moved that the minutes from the previous meeting be approved. Seconded.
Approved unanimously.

Quintela moved the following answer to DEC request DCA05-DEC032, which was seconded and approved unanimously:

To the question “Can a wooden return air grill be placed in this house in Milton, Florida?”, the answer is YES the code section was not intended to cover return air grilles in this R-3 house.

The TAC discussed how its membership could be adjusted to allow Joe Crum on as a voting member. Joe is now on the ICC Mechanical Committee. It was suggested that Phillip Simmons could be moved from the General category to the Contractor category, thus opening a place for Crum on the TAC. Chair Steve Bassett will make that recommendation to the Commission.
