Objective: To educate students/clients in understanding the adopted Building Codes and proper application of these Codes. To share my 40 years of experience in the various levels of the construction industry, from installer to Building Code Administrator.

Career Status:

Current: Building Official, City of Fort Lauderdale, Florida
Previous: Director, Community Development (Bldg, Zoning, Code Enf, Occ Lic) City of Hialeah, Florida 2005-2011
Director, Codes & Education, I.A.E.I., Miami-Dade Division, 1992-2014
Chief Electrical Inspector, City of Hialeah, 1990-2005
Chief Electrical Inspector, Town of Medley, 1988-2005
Chief Electrical Inspector, City of Hialeah Gardens, 1985-1990
Electrical Contractor, 1980-1990
Radar Operator, USAF, 1969-1973

Duties & Responsibilities:

Director, Community Development: Administer and manage all operations of Building, Zoning, Code Compliance and Occupational License Divisions for the City of Hialeah (Pop. 235,000). EOC (Emergency Operations Center) Coordinator for the City of Hialeah Community Development Department, in liaison to Hialeah Fire Department and Miami-Dade County EOC.

Director, Codes & Education: I.A.E.I. Miami-Dade Division. Maintain Continuing Education Courses and program for licensed electricians, contractors and engineers in the South Florida area. Provide multimedia presentations and educational seminars to enhance personal development and inspire attendees to pursue higher levels of understanding and applications of various building codes and economic development statutes and regulations.

Education: Graduated, Miami Springs Senior High, 1966
Attended, Miami-Dade College, 1967-68 (53 Credits)
Graduated, USAF Early Warning Radar Technical School, 1969
