schindler-3100-mrl-elevator-brochure.pdf;

Tony – nice speaking with you today. For a 2-stop elevator we would propose our 2100 lbs capacity MRL traction elevator and you can budget \$110,000 for it. We would provide both the equipment and installation. I have attached the product brochure in the event you would like to reference or pass along to the design team.

Thank you,
Hunter
