

Re: ADA waiver notes, 602 east union street

To architect200@comcast.net <architect200@comcast.net>

Good afternoon sir,

Sorry I've been slow to reply. I've been waiting on a response from our Office of General Counsel since I've not issued recommendations for vertical accessibility waivers in the past.

As best we can tell, the building official recommendation is not a requirement, but a supplemental document you can provide.

Since we've not issued recommendation for these waivers previously, we are going to continue with that policy.

Thanks for following up.

Take care,

Joshua Gideon
