Michael,

Thank you for reaching out to us. Please find our brochure for our 3100 Machine Roomless Traction elevator. \$125K to \$130K would be a good budget price to furnish and install the elevator in a 2,100 lb. capacity servicing 2 qty. front openings. All related work i.e... hoistway, electrical, fire alarm etc... is by others. Please note we need 3 Phase power, if you don't have that, the electrical contractor will need to furnish a Phase Perfect Phase converter.

If you have any questions, please let me know.

Respectfully,

Chris

Have a Great Day,

Chris Cornelius

Thank you for the information on the elevator and cost associated with it.

Have a good day.
