**SUBJECT:** Product Conformance to the 7<sup>th</sup> Edition Florida Building Code

Dear Sir (Madam),

I have reviewed the referenced Florida Product Approval and associated documents and found all drawings, reports, referenced test standards, and associated ancillary tests as noted in the currently approved documents listed below to be in compliance with the 7th Edition of the Florida Building Code.

It has been concluded that no revisions or changes to the referenced standards and standard years has occurred between Chapter 35 of the 6<sup>th</sup> Edition (2017) and Chapter 35 of the 7<sup>th</sup> Edition (2020) of the Florida Building Code. Therefore, all test standards listed below are valid for the 7<sup>th</sup> Edition of the Florida Building Code.
