To: Whom it may concern

From: Brian C. Davis, Manager Quality Assurance & HSE for Building Products

Re: Certification of Independence

The Intertek Building & Construction Laboratory operates in compliance with Florida Rule 9N-3.009, Criteria for certification of independence.

As such we attest to the following:

1. The entity, agency or laboratory does not have, nor does it intend to acquire or will it acquire, a financial interest in any company manufacturing or distributing products tested or labeled by the agency.
2. The entity, agency or laboratory is not owned, operated or controlled by any company manufacturing or distributing products it tests or labels.
3. The Florida registered architect or licensed professional engineer performing an evaluation does not have nor will acquire, a financial interest in any company manufacturing or distributing products for which the reports are being issued.
4. The Florida registered architect or licensed professional engineer performing an evaluation does not have nor will acquire, a financial interest in any other entity involved in the approval process of the product.

If there are any questions or concerns, please feel free to contact me directly.
