RE: FL#10290-R3 Equivalence of Published Versions of ASTM E96

Dear Mr. Jenkins:

I have reviewed ASTM E96 to evaluate its equivalence to the same test method standard but with a different publication date as referenced by the Florida Building Code (FBC). Specifically ASTM E96-16, *Standard Test Method for Water Vapor Transmission of Materials* (FBC-Referenced Standard) was compared to ASTM E96-14 (NTA Test Report MUR(660)092815-34).

I conclude that the test method standard versions are equivalent regarding the referenced product and application.

Respectfully,

Gary Hartman, P.E.
