**RE: Equivalency of ASTM E 1996 - 2003 and ASTM E 1996 - 2002
(Intertek Contract/Project. No. 3196170)**

Dear Mr. Silva,

Intertek has reviewed the standard ASTM E 1996, "*Standard Specification for Performance of Exterior Windows, Curtain Walls, Doors and Storm Shutters Impacted by Windborne Debris in Hurricanes*" to determine the equivalence between the 2002 and 2003 version of above-mentioned ASTM standard. It is Intertek's professional opinion that the test criteria and product specifications are equal, therefore ASTM E1996 - 2002 and ASTM E1996 - 2003 are equivalent.

If you require further assistance regarding this matter, please contact the undersigned at 1-800-668-8378, ext 715 or email, peter.gildenstern@intertek.com.

Sincerely,

INTERTEK

**Peter Gildenstern, AScT
