To whom it may concern

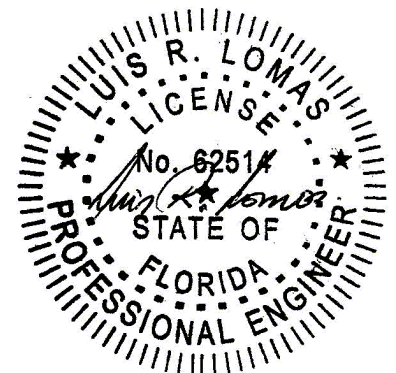

This is to verify that the products mentioned above were tested according to ASTM E1886-02, ASTM E1886-05, ASTM E1996-05 and ASTM E1996-09. I have reviewed the standards used for testing against the currently accepted standards ASTM E1886-19 and ASTM E1996-20. Based on my reviewing of these standards I found that the testing requirements in ASTM E1886-02, ASTM E1886-05, ASTM E1996-05 and ASTM E1996-09 are equivalent to the currently accepted standards.

Therefore, the products listed above meet the testing requirements for ASTM E1886-19 and ASTM E1996-20.

Please note that I don't have nor will acquire a financial interest in any company manufacturing or distributing the product(s) for which the reports are being issued.

Also, I don't have nor will acquire a financial interest in any other entity involved in the approval process of the listed product(s).

Please feel free to contact me if you have any questions
