Subject: Fyre-Tec Inc (File R21803) UL Follow-Up Services

Dear Mr. Eilers,

This letter is in reply to your recent e-mail regarding a letter to confirm the companies above have existing, on-going follow-up services with UL.

Fyre-Tec is currently a subscriber of UL's Certification and Follow-Up Service for File R21803. Fyre-Tec's follow-up service with UL is for various Fyre-Tec steel windows (Series 925P, 900P, 950P, 975 and 985) that can be used in severe weather rated assemblies, that when constructed in accordance with our follow-up service are eligible to bear the appropriate UL Mark.

Any information and documentation involving UL Mark services are provided on behalf of UL LLC or any authorized licensee of UL.

Should you have any questions or comments concerning the above, please feel free to contact me.

Respectfully,

A handwritten signature in black ink, appearing to read 'Dave Stammen'.
