Re: Follow up - Quality Assurance Audit Report for NOA(s): 21-0205.08, 21-0205.09, 21-0601.09

Dear Mr. Moore:

Thank you for your email dated March 16, 2022, which addressed our request that **Quickserv Corp.** to provide our office with its most recent Quality Assurance documentation covering the above facility. The submissions regarding our requests include the following:

1. Copy of Certificates of Analysis / Mill Certificate of raw materials used to produce the finished NOA

As a result of our review of this new information, we find **Quickserv Corp.** in conditional compliance with Miami-Dade County's Quality Assurance requirements. Conditional compliance is a temporary status held until we are able to conduct a physical audit of your facility to ensure compliance with Miami-Dade County guidelines.

Thank you for your cooperation and should you have any questions please do not hesitate to contact us.

Respectfully,

Henry Castillo
Quality Assurance Inspector
Product Control Section
